AURUM BRECKENRIDGE

ELEVATION: 9,600'

The flagship concept by Destination Hospitality Group offers innovative New American cuisine, unique cocktails, and bespoke wine selections in stylish surrounds across the premier resort markets.

Founded in 2014 in Steamboat Springs, Colorado, Aurum delivers best-in-class hospitality by creating guest experiences that foster genuine human connections. By thoughtfully curating food, drink, and design we aspire to provide service in a way that makes our guests feel welcomed, fulfilled, and genuinely better than before they walked through our doors.

Aurum, aptly named by our founder Phil Armstrong's mother, is the Latin word for gold and is represented by the symbol "Au" on the periodic table. In a handwritten letter to Phil, his mother Donna proclaimed that this was his "golden opportunity" and that she likened him to a modern-day prospector looking to strike out on his own.
